   Portfolio :

PROFILE

3+ years of diversified experience in the field of Front-End Development. I am well versed with the concepts and implementations of HTML5, CSS3, SAAS, BootStrap4, JavaScript, AJAX, ES6, Flex, Typescript and Angular.

My extensive knowledge of JavaScript has helped me to deliver complicated projects with ease.
I have worked on different modules of Angular in my current project and I am confident to take on projects.

I firmly believe in the concept of making my customers happy hence constantly thrive to give more attention to the details of any project.
